

## Registration can be done using this form, OR online at www.superpave.psu.edu.

## Please read and follow these directions.

#### INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED FOR COURSE REGISTRATION.

- 1. Fill in or attach information as indicated and obtain required signatures when noted.
- 2. **If paying by check or money order, submit by mail** a separate copy of this form for each applicant and for each certification to NECEPT at the address below. Check or money orders *must* be included for the corresponding total fee payable to Pennsylvania State University. **Credit card payments are accepted only if paid online (i.e., through online registration).** If you register online, you MUST pay with a credit card; you may not mail in a check or money order separately.
- 3. Applications that are not complete or are not accompanied with payment will be returned to the sender. (Note: All PennDOT employees will automatically be direct billed to the appropriate PennDOT District unless payment is enclosed with this application or a request is made to be emailed a link to pay online.)
- 4. The applicant can attend the course after a confirmation of payment and registration is received from NECEPT via e-mail. Therefore, you must enter a valid e-mail address on the application. More than one e-mail address may be listed if you would like multiple people to receive the confirmation letter, directions to the course location, and hotel information.
- 5. Registration will only be accepted up to 10 business days before the course start date. There will not be any exceptions! This means that NECEPT must have the application in hand 10 business days prior. If you are close to the cut-off time, please consider registering online.
- 6. PennDOT and NECEPT reserve the right to reschedule and/or cancel under-enrolled courses.
- 7. The applicant has the option to cancel up to 10 business days before the course start date and is eligible for a full refund less a \$15.00 processing fee. The cancellation must be in writing and must be received by NECEPT 10 business days before the course start date. Refunds for emergency circumstances will be considered on a case-by-case basis.
- 8. If applicant checks the box for certification renewal when completing the Update/Refresher Course application, the applicant will receive their new certification card immediately following the Update/Refresher Course. If applying for certification renewal separately (card only), the applicant should allow 3 to 5 weeks after submitting the card only application to receive their certification card. All certification cards will be mailed to the mailing address listed on the application. It is up to the certified technician to give a copy of their certification card to their place of employment, if necessary.

Falsification of information on this form may jeopardize your certification status.
